FORMER SATANIST RELEASED FROM DARKNESS

In October of this year, Biglife brother Zach reached out on a communications platform asking for prayer. His message said:

"Will share more later. At the park where Joshua, the former Satanist, gave his life to Christ and meeting with him and Mark for first steps of obedience in following and fishing."

It was a tension-filled day for the team. Zach reported "dreams, demonic nightmares, intense pains, family sicknesses, and a grip on my throat as soon as I pulled into the park." It was obvious there were dark forces at work that did not want Joshua to serve the true King. But the love of Christ is always stronger, and always wins!

That evening brother Mark baptized Joshua in the presence of Joshua's son. For Joshua, it was a day of freedom, celebration, and conviction to share the Gospel with others who are hurting and far from God. And for Mark, it was his first baptism as a disciple and an intimate experience in his walk of obedience.

Together Mark, Joshua, Zach, and Joshua's son burned the demonic paraphernalia from their home. Bags and boxes full of curses, witchcraft, and satanic agreements were destroyed in the name of Jesus. Praise God for the way He draws men and women unto Himself. He loves us deeply, He knows what we need, and He empowers His disciples to accomplish His will.
