

ZÚME PROJECT OVERVIEW

Zúme means yeast in Greek. In Matthew 13:33 Jesus is quoted as saying, "The Kingdom of Heaven is like a woman who took yeast and mixed it into a large amount of flour until it was all leavened." This illustrates how ordinary people, using ordinary resources, can have an extraordinary impact for the Kingdom of God. Zúme aims to equip and empower ordinary believers to reach every neighborhood.

The Initial goal of Zúme is for there to be a training group of four to twelve people in each census tract in the country. Each of these training groups will start two first-generation churches which will then begin to reproduce. There are about 75,000 census tracts in the U.S.
